

The Common Man Inn Package

\$695.⁰⁰

The Common Man Inn Package is designed for those looking for the best service and quality without the huge price tag. We cover all the important parts, leaving your friends and family to capture the rest. Of course, we would love to stay and record the entire day from having your hair done, through the last dance. Anything is possible as the Common Man Inn Package is a great starting place to build the perfect package for you! We work in a non-obtrusive way, documenting your special day as it unfolds. If you chose to do formal posed portraits of your wedding party and family, we use your direction to keep this time to a minimum and keep you with your guests.

Two hours of photography coverage provides time for the average ceremony and formal portraits, your introduction and start of your reception at the Common Man Inn or the Greenhouse. A combination of storybook style and formal portraits tells the story of your wedding and provides the all important formal portraits you want to have a professional for. 75 Photos are presented in an album are available for you to pick up within two weeks of your wedding at the Common Man Inn. Reprints and enlargements are available at any time, but are discounted for 90 days after your wedding.

If you prefer, **Save \$200.00** on any wedding package listed in our wedding price list at the Common Man Inn or the Italian Farmhouse. If you don't see a package that includes what you are looking for, we want to make a package that will fill your needs and desires. We look forward to hearing from you!
